Restitution The Hague
19 december 2002

Dear Mr. van Hengstrum,

Herewith I hand over enclosed letter from the Courtauld Institute for a response to you. It somehow surprises me that the questioner was sent by your department to us, because it is the agreement that the Inspection Cultural Property is no longer involved with such matters. We do like to receive a copy of your answer to the Courtauld Institute because this is an important relation to the inspection.
with friendly regards,

Ch.E. van Rappard-Boon *in handwriting:*
Head Inspection Cultural Property *9/1 e-mail to Evelien*
with request for information
